ROBO-MINNOW, THE ULTIMATE CORDLESS AND HASSLE-FREE ROBOTIC POOL CLEANER.

Dive into a world of effortless pool maintenance as you witness the Robo Minnow's cutting-edge features.

CORDLESS AND EASY TO USE

- The Robo Minnow is completely cordless, providing you with the ultimate convenience.
- Simply power up your cleaner, submerge it in your pool, and watch as the Robo Minnow goes to work, making pool maintenance a breeze.

POWERFUL PERFORMANCE

- The Robo Minnow uses jet propulsion to effortlessly seek out and capture the tiniest particles in its unique 110-micron filter. Hungry for debris, the Robo Minnow boasts an impressive 2-litre capacity, ensuring your pool's comprehensive clean.

SELF-PARKING SIMPLICITY

- No more struggling to retrieve your pool cleaner! The Robo Minnow features self-parking capabilities, effortlessly gliding to the side of your pool for easy retrieval with the included retrieval hook. Enjoy the simplicity of a cleaner that performs exceptionally and makes your life easier.

INCREASED BATTERY LIFE

- Experience extended cleaning sessions with the Robo Minnow's newly designed battery. With a quick 4-hour charge, it provides 60 minutes of efficient cleaning capabilities - more than enough for most domestic pools.

IDEAL FOR VARIOUS POOL TYPES

- Whether you have a round above-ground pool or an in-ground flat-floored pool, the Robo Minnow handles pools up to 50 m².
- Invest in the Robo Minnow by Robo-Tek – where innovation meets simplicity. Make your pool maintenance journey a seamless and enjoyable one.
